LEARN, PLAY & COMPETE ON YOUR JUNIOR HIGH SCHOOL GOLF TEAM!

Dubois County Junior Golf is a new initiative created by caring Professionals in the community and sponsored by local business. The main goal of DCJG is to introduce and engage young adults into the game of golf. The program will provide a unique team environment while adapting the First Tee’s curriculum and mission of providing educational programs that build character, instill life-enhancing values and promote healthy choices through the game of golf.

The DCJG Program is comprised of 4 Main Components:

1. Golf Camps (Participants will learn skills in all facets of the sport. Rules, Etiquette, Full-Swing Fundamentals, Short-Game, Practice Habits). All classes camps by experienced PGA Professional.
2. Player Development (On-Course Play, Team Integration, Golf Course Strategy).
3. Understanding & Developing with The First Tee’s Nine Core Values & Nine Healthy Habits.
4. Development of positive and healthy relationships through friendly team competitions that encourage player development and positive self-esteem.

Each participant will receive 6 Group Lessons and 8 League Matches. Registration is easy and is done online with multiple dates and times to choose from. Players will attend up to 2 days per week.

The format of the League Matches is a 2-player scramble with teams and opponents being different each week. As a member of each scramble team, each player is earning points for his/her school. These points are then used to track league standings.

The program is open to ALL Dubois County 5th through 8th grade students. Due to space limitations, registration is limited (72 Participants). No prior experience is necessary, just a desire to learn and play this great game of golf! Beginners and advanced players will benefit from the program!

The program runs early April to June and will be conducted at Ruxer Golf Course.

Through the generosity of our sponsors, cost is limited to $55.00 per player. Registration opens Monday, Feb. 2, 2015. Visit www.duboiscountyjuniorgolf.com to register or get more information.
